

Let's practise!

Shoe Tying Certificate A · Bunny Ears

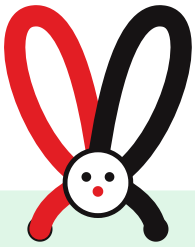

From about age 5

1

Cross the laces, one goes under. Pull tight.

2

Make two bunny ears.

3

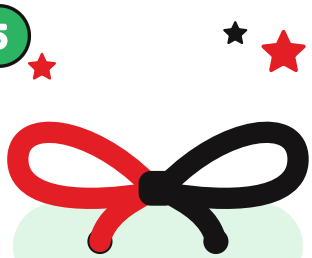

Cross the ears over.

4

Push one ear through the hole.

5

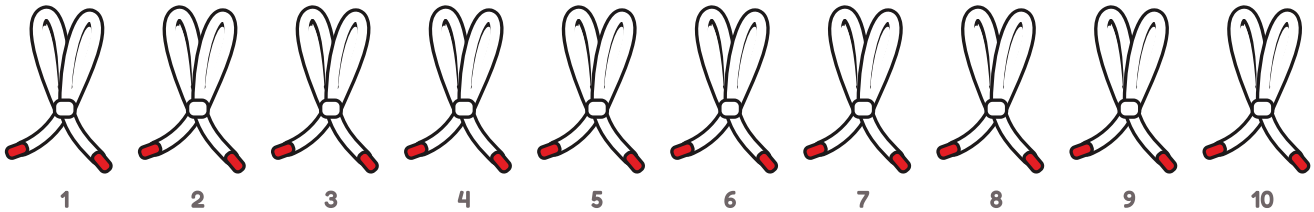

Pull the ears apart. Done!

FOR GROWN-UPS

Sit next to your child, not opposite. That way nothing has to be copied in mirror image. Practise little and often. Flat laces in two colors show straight away which end goes where.

Did it? Color in a bow!
